AN **ORDER & COLLECT SERVICE** FOR ALL OCCASIONS

MADE FRESH | MADE IN-STORE | MADE TO ORDER

When we say 'Made Fresh', – we mean it.

We are incredibly passionate about the food we create behind our deli counter. Using only the freshest produce and finest ingredients, we never compromise on quality. Our core belief is 'keep food simple' – add only what you really need with a little culinary creativity.

Our fantastic in-house chef endeavours to introduce new and exciting flavours as the seasons change, so there's always something new to try.

Ultimately, we want you to feel inspired by our food and we love it when you just can't decide because it all looks so good!

Let's make this easy...

Whether it's breakfast, brunch, a family occasion or a corporate meeting, let us take care of it.

All our dishes are made from locally sourced ingredients and the freshest produce. Everything in this menu is made fresh to order in our own kitchen and bakery.

Please make us aware of any allergens or dietary requirements, so we can do our best to accommodate you.

All dishes are supplied pre-cooked but require re-heating. Simply order in advance, at least 2 days before your event.

Now let us do the cooking and let you get back to hosting!

Bon appetite!
